Internships

UI & UX Designer

Dec 2023 - Feb 2024

CODESOFT, Hyderabad

I am thrilled to announce that I have accepted an exciting new opportunity with CODESOFT as UI & UX Designer. I am grateful for the experiences and relationships I've built during my time at CODESOFT, and I am eager to bring my skills and expertise to contribute to the success of my new role.

Web developer

Jan 2024 - Feb 2024

CODECLAUSE, Hyderabad

"Enthusiastic web developer with hands-on experience gained through a dynamic internship at CodeClause. Proficient in front-end technologies, including HTML, CSS, and JavaScript. Dedicated to creating responsive and visually appealing websites. Excited to contribute my skills and continue growing in the ever-evolving field of web development."

Android Developer

Sep 2023 - Nov 2023

India Edu Program Google For Developers, Hyderabad

I am thrilled to share that I've successfully completed the Android Developer virtual internship with the Google For Developers program through India Edu Program.

During this incredible journey, I had the opportunity to dive deep into Android app development, honing my skills in Java/Kotlin, XML, and other essential technologies. I worked on real-world projects, gaining hands-on experience in crafting user-friendly and efficient mobile applications.

Key Learnings:

- Developed a solid understanding of Android architecture and best practices.
- Implemented features that enhanced the overall user experience.
- Collaborated with a diverse and talented team, learning from industry experts.
- Gained insights into the latest trends and technologies in the Android development ecosystem.

Amazon Web Service

Nov 2022 - Dec 2022

IMMENSPIHERE, Hyderabad

I am thrilled to share that I've successfully wrapped up my internship at Immensphere, where I had the incredible opportunity to dive deep into the world of Amazon Web Services (AWS). ✨

Key Learnings: During the internship, I had the chance to work on cutting-edge AWS technologies and solutions, gaining hands-on experience in cloud computing, infrastructure as code, and more. The immersive learning environment at Immensphere allowed me to sharpen my skills and expand my knowledge in AWS services.

Challenges Overcome: Throughout the project, I encountered and overcame various challenges, honing my problem-solving abilities. Working with AWS tools and services pushed me to think critically and find innovative solutions, ultimately contributing to the success of the project.

Collaboration at Its Best: I want to express my gratitude to the amazing team at Immensphere. Collaborating with talented professionals fostered a collaborative and inclusive environment, where ideas flowed, and every contribution mattered. Teamwork truly made the dream work!

Certificates

Oracle Cloud Infrastructure 2023 Certified Architect Associate

Sep 2023

I am thrilled to announce that I have successfully earned the Oracle Cloud Infrastructure 2023 Certified Architect Associate certification. This achievement reflects my expertise in designing, implementing, and managing solutions on Oracle Cloud Infrastructure.
